Public Sale Details

Allocation limits:

Round 1	Round 1.5 ★	Round 2	Round 3	Round 4	Round 5
<ul style="list-style-type: none"> Minimal investment value: 200 USD Maximum investment value: 2000 USD 	<ul style="list-style-type: none"> Minimal investment value: 200 USD Maximum investment value: 2000 USD 	<ul style="list-style-type: none"> Minimal investment value: 200 USD Maximum investment value: 5000 USD 	<ul style="list-style-type: none"> Minimal investment value: 200 USD Maximum investment value: 5000 USD 	<ul style="list-style-type: none"> Minimal investment value: 200 USD Maximum investment value: 13 000 USD 	<ul style="list-style-type: none"> Minimal investment value: 200 USD Maximum investment value: 13 000 USD

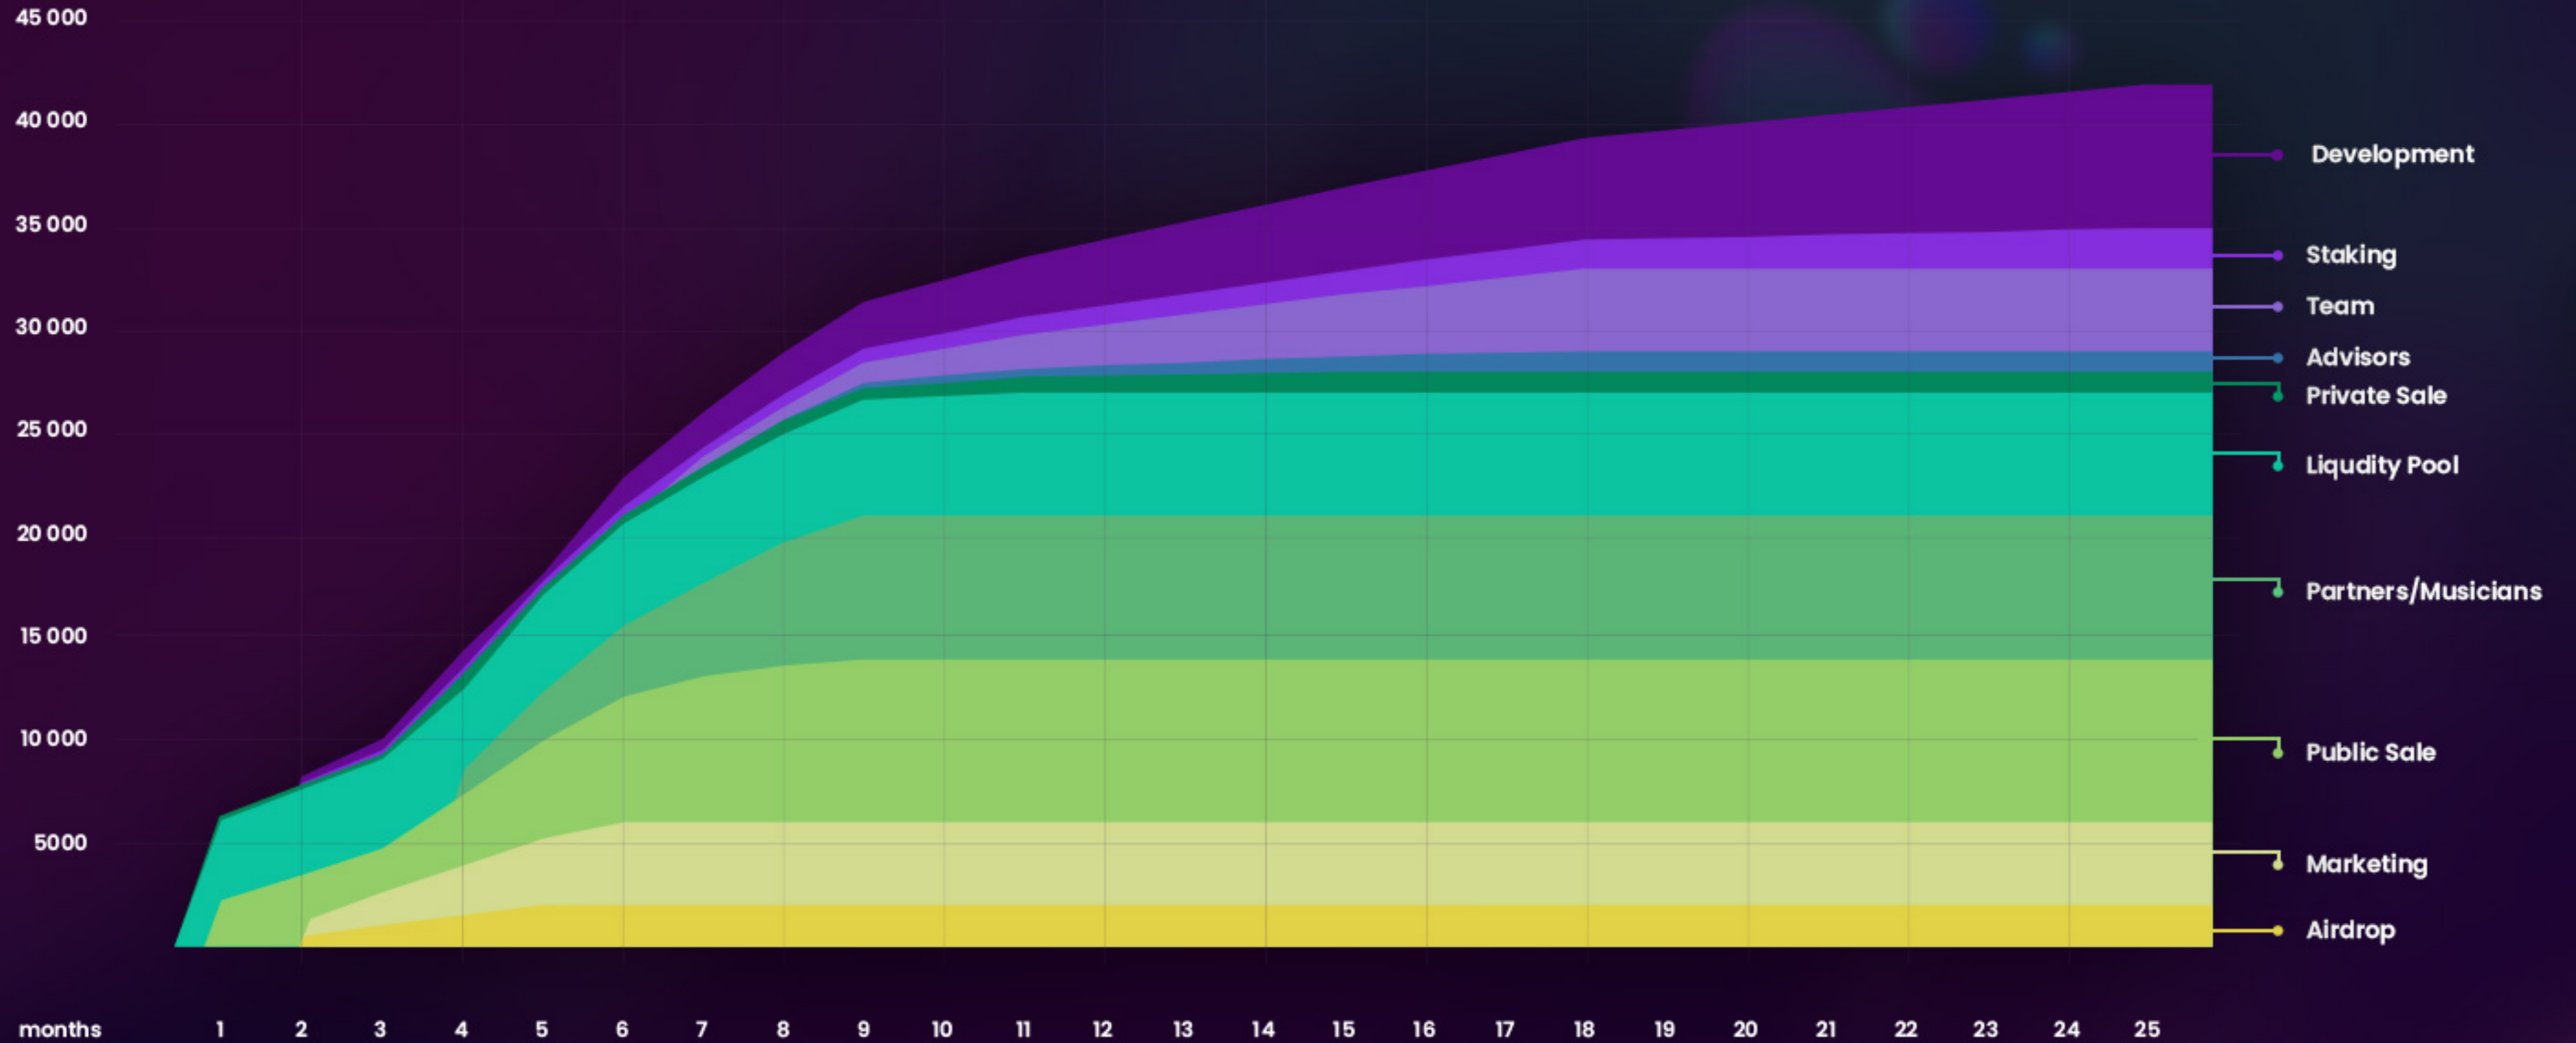

- **Total Public Sale Hardcap: \$ 5 100 000**
- **DEX Listing Price: 1.25 USD per MUZZ token**

MUZZ Token will be distributed on TGE (token generation event). Users will receive % of the allocated coins. The rest of coins will be unlocked on a daily basis (have a look at each round).

Those who will **hodl** their tokens till the end of distribution period, will be **rewarded**.

Token release schedule

Partners

- **Partners/Musicians Pool** is set at 7,000,000 Muzible tokens, it is dedicated to attract partners in the music industry.

-
- The aim is to establish long-term cooperations with artists who will take on the role of brand ambassadors.

Liquidity Pool Rules

- **Liquidity Pool**

- It is a pool of 5,550,000 MUZZ it will be allocated to assure liquidity on decentralized exchanges, like Uniswap. It's equal to 13,4% of Max Supply.

This pool will be released gradually.

Team

- **4,000,000 MUZZ** will be used as a gratification for the Muzible Core Team.
 - **6 months cliff** – daily token distribution over 12 month period (18 months total vesting period).

Marketing

- **4,000,000 MUZZ** will be used to promote the platform, collaborate with music media and other marketing activities.

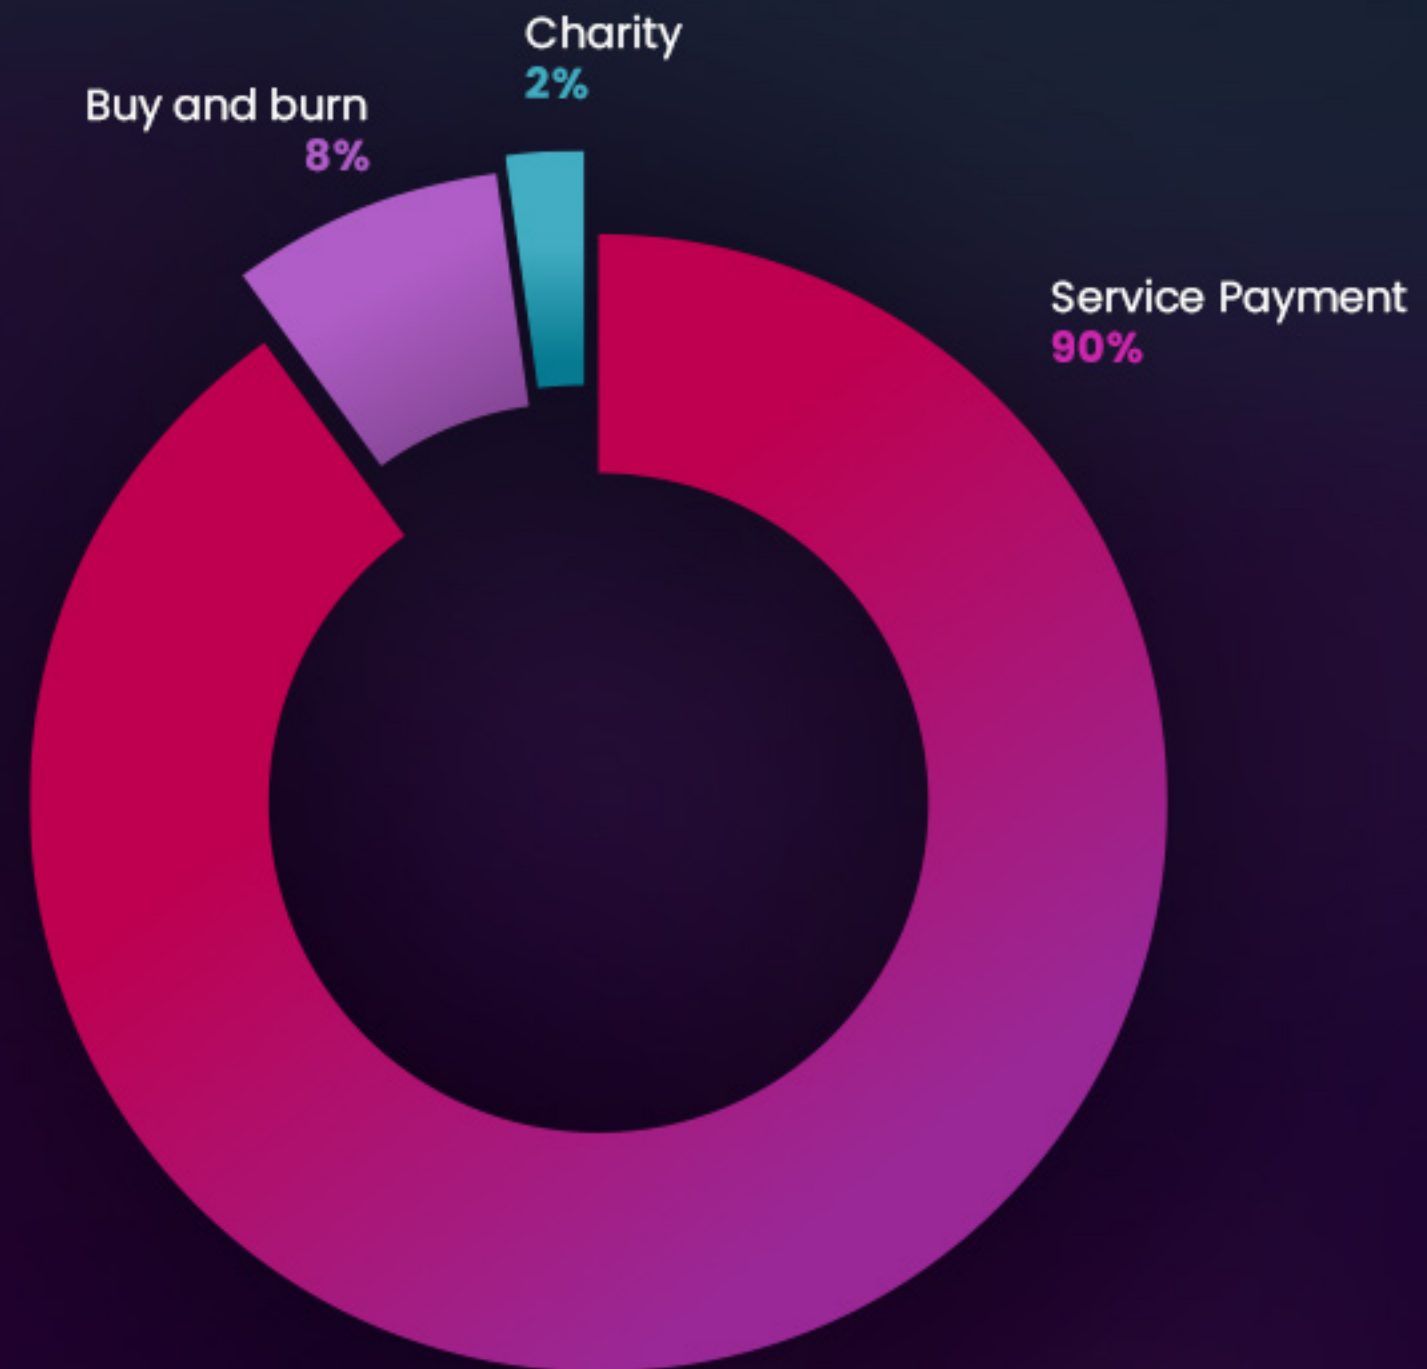

MUZZ Payment Distribution

• Every payment with **MUZZ** within our platform will be divided into three parts:

- Service Payment **90%**
- Buy and Burn **8%**
- Charity **2%**

Staking

- You will be able to earn **rewards** when you stake (MUZZ) on our platform.
- For this purpose we are allocating **2,000,000** (MUZZ).

Muzible Token Utility

Deflation Mechanism of Muzible Token :

- A portion of the platform income will be used for buying MUZZ from the market in order to burn them.
- The goal is to limit the Total Supply of tokens. Ultimately we aim to **burn 10,500,000 MUZZ** equal to 25% of all the tokens.

Muzible Token Utility

• **MUZZ Token** is a key part of the entire Muzible.com Ecosystem. Having it in your wallet is an opportunity to fully utilize platform functionality that will be available only for MUZZ owners. **Token Utility examples :**

- Exclusive NFT Drops, for owners of 1000 MUZZ, and above. This will relate to a multilevel drop access, that will depend on number of owned MUZZ
- Access to auctions
- Lower transactions fees
- VIP tickets access for events organized by Muzible in cooperation with music labels that are partners of our platforms
- Best opportunities for investement in Polish music market, for MUZZ hodlers only
